Re: School Photos

Dear families,

This year, Hemmingford Elementary School changed photographers. In seeking out a new photographer, we looked for one who took online payments and who offered more options to parents for their photos. Our goal was to improve your experience and increase the flexibility offered to you. Just to be clear, we are accepting cash payments to the school, however, online payments are preferred. If you are paying by cash, please put exact change.

Unfortunately, beyond our control was the delay in the codes being sent out for specific grades. Due to these circumstances, **we have made a request to the photographer to extend the deadline available to parents.**

We are sorry for the inconvenience and we will continue to try and improve your experience. Please feel free to contact the school should you wish to address your concerns.

Sincerely,
